

## KENTUCKY “FRESH” NOTHING ELSE IS CLOSE.

When you purchase Kentucky produce from Department of Defense or a local grower, fill out the below chart. Please fax this form MONTHLY to Kentucky Department of Agriculture, Division of Value-Added Horticulture and Aquaculture at (502) 564-0303. If you have any questions, call Jessica Anderson, Farm-to-School Coordinator at (502) 564-4983.

Below are produce items that are grown throughout the produce season. If you are interested in knowing the produce items that are grown each month, click here \_\_\_\_\_

PRODUCE ITEM	POUND OR COUNT PER UNIT	NUMBER OF UNITS	PRICE
Broccoli			
Cantaloupe			
Green Cabbage			
Red Cabbage			
Cucumbers			
Lettuce			
Peppers			
Red Potatoes			
White Potatoes			
Squash			
Tomatoes			
Seedless Watermelons			
Zucchini			

### How To Identify KY Produce:

- Look at your invoice from Department of Defense, it will read “KY-Grown”
- Look for “KY Fresh” stickers on the produce boxes.
